

**With a mouse click to the floor of your dreams  
Germany's leading parquet manufacturer re-launches its website**

Rosenheim – “Finally home” also on the Internet. Hamberger, Germany’s leading parquet manufacturer makes it possible to experience its extensive floor selection virtually with the re-launch of its internet presence [www.haro.de](http://www.haro.de). With a few steps the innovative product finder leads you to your desired floor - for an individual, ecologically responsible living, literally starting at the base.

HARO clearly presents its range of floor coverings with quality made in Germany, a variety that can hardly be outdone, in impressive images and with many interesting facts concerning the issue of floor coverings. Besides parquet and laminate also cork and linoleum flooring are presented, as well as the innovative wood tile Celenio and the “parkettmanufaktur by HARO”– emotional but still always informative. The effect of the different floor coverings is shown in elaborate interior pictures. And with the redeveloped product finder, it is a short way to the floor of your dreams - last but not least due to the search function and the route planner to your closest HARO dealer.

**In a few steps to the parquet you have been looking for**

The variety of HARO parquet leaves no wish unfulfilled. Whether you plan building a house or renovating only one room, simply choose a colour, sorting, format and one out of three surface treatments - prefinished to natural oil finish – for your individual floor with the “finally home” feeling. With laminate or cork floors this is even easier. Moreover [www.haro.de](http://www.haro.de) offers professional information which floor is most suitable for your use and gives detailed support with practical videos for the perfect laying of the flooring.
